

# 2017 GA ESO STATE TOURNAMENT

## SCHEDULE OF EVENTS SATURDAY, MAY 13, 2017

### WELCOME!!

Welcome to Kennesaw State University for the Elementary State Science Olympiad. We are proud to host this event and are glad to have you as our guests today. KSU is currently the third largest university in Georgia with over 25,000 undergraduate and graduate students who are trying hard to make the most of their educational opportunities. We give special thanks today to the team coaches, event supervisors and the dozens of volunteers who have worked hard to prepare for this event.

We also appreciate Dean Eaton from the College of Education and the Department of Elementary and Early Childhood Education for sponsoring the Olympiad.

Please check out our super cool and free science entertainment including *Wildlife Wonders (9:30 AM and 10:30 AM)* and in SC 109, and *Science for Everyone* in the *Convocation Center beginning at 1:45 PM*.

Additionally, we will have vendors for teachers and students including Diamond Del's Rock and Mineral Mining (<http://diamonddel.com>) who for a small fee of \$10 will allow you to "mine" for rocks and minerals. Kona Ice ([www.kona-ice.com](http://www.kona-ice.com)) will provide shaved ice and ice cream treats (prices range from \$2 - \$5), while Eagles Sportz ([www.eaglesportz.com](http://www.eaglesportz.com)) will be available to customize your Olympiad shirts.

Chick-fil-A, along with KSU's The Market will be available for you to purchase food. Chick-fil-A will be offering breakfast options such as a Chicken Biscuit and Simply Orange Juice for \$5, and for lunch a Chicken Sandwich, bag of chips, and Chocolate Chunk Cooke for \$7. KSU's The Market will be offering a variety of snack options including a Nathan's beef hot dog combo for \$4, discounted snacks, and free coffee (while quantities last).

We hope you have a great time today and thanks for being a supporter of science education.

**REMEMBER: YOU MUST TURN IN ALL 3 KSU FORMS PER STUDENT ON MAY 13<sup>th</sup>**
