Notes

- Parking will be \$10 – Cash. Please let parents know so that they may plan accordingly.
- We will have the parade of teams again this year. Please line up around the Campus green and be prepared to start marching in at 8:05. Please limit # of coaches sitting with students on the floor to ensure we have ample space for students. **Banners are not permitted inside the Convocation Center, due to limited space.**
- **Things to do:** Diamond Del Mining, Kell Robotics, Eagle Sportz & Kona Ice – on campus Green. See the Scaly Adventures science show in the Science building.
- Let's do our best to remain positive, upbeat, and supportive of everyone – students, parents, event judges, and coaches! Coaches and parents are not permitted to question event judges directly, doing so is grounds for disqualification of that team for that event. Coaches are aware of procedures to let ESO supervisors know of concerns.
- Awards for 1st-3rd place will be awarded during the awards ceremony. Coaches, please pick up ribbons for 4th-10th place upstairs at the check in desk in the Convocation Center after awards.
- Teams may make camp around the Campus Green. Tents, chairs & snacks are highly encouraged. Spots are first come, first served.
